 Ferro Digital Studio

## PROFESSIONAL PROFILE

I am a passionate Full Stack Web Developer with one year experience in multimedia development. My strongest skills are HTML, CSS, and JavaScript frameworks such as React, Express, and NodeJS. I enjoy solving complex problems through code, and capable of working both independently and collaboratively. I swiftly adapt to new learning and meet project deadlines, and my ultimate objective is to become an experienced Full Stack Developer with demonstrated skills in mobile app development and software development.

## EDUCATION

**Tshwane University of Technology**  
(2019 - 2023)

- Information Technology specialized in Multimedia

**Curro Academy Soshanguve**
